# SPECIAL *Cymbidium* LISTING

#24

## *First Offering* OF SPRING AND SUMMER PROPAGATIONS SELECTED PROVEN VARIETIES

Here are the reasons why we feel this list has special appeal to all who want good Cymbidiums:

1. Only superior proven varieties are listed.
2. Selections are so priced as to interest those with limited budgets, and include rare varieties for the connoisseur.
3. In addition to the reasonable prices, substantial discounts are allowed for a limited time on quantity purchases.
4. All propagations are well established with sturdy eight to twelve inches of growth.
5. A back-bulb propagation from a selected variety grows into a proven plant in just a few years. The value of the plant is in direct proportion to the value of the back-bulb originally purchased.

*"Only the Finest in Orchids"*

CATTLEYAS • CYMBIDIUMS • CYPRIPIDIUMS

## SPECIAL DISCOUNT

With purchases of \$50.00 to \$200.00 we extend a 10% discount.

With purchases of \$200.00 to \$500.00 we extend a 20% discount.

With purchases of \$500.00 or more we extend a 25% discount.

This offer expires December 31, 1953.

\* \* \* \* \*

Following is a list of strong bulbs with vigorous rooted growths from eight to twelve inches. These are propagations taken from only selected proven stock this spring and summer. Many of the varieties listed are familiar to Cymbidium fanciers for they are the plants upon which we have built the reputation of our famous prize winning Cymbidiums. Inasmuch as collectors' choice may vary, a wide range of colors and types is offered. Only propagations with robust, sturdy growths are offered.

## CONDITIONS OF SALE

1. Orders will be filled in rotation. All items listed are subject to prior sale.
2. We reserve the right to limit quantities sold.
3. No substitutions will be made on any order either as to size or variety without authorization.
4. Please list a second choice in the event that varieties you have selected are sold out.
5. We do NOT make a packing charge.
6. Unless otherwise advised, shipment will be made via Railway Express, charges collect. (All orders are f.o.b., San Gabriel.) However, we recommend Air Express (or Air Freight on large orders) for shipments destined for countries outside of the United States and for shipments to be made during the winter months when there might be danger of the plants freezing en route.
7. Claims for damaged shipments must be filed immediately with the carrier by the consignee. We make every effort to pack carefully, and our responsibility ends when the shipment is accepted by the carrier.
8. On the authority of your local Plant Quarantine Station, please advise us if there are any unusual requirements pertaining to the shipment of plants into your territory or country.
9. Our firm has been properly authorized to handle shipments to Hawaii. However, the customer must forward with his order his Permit Number which he must obtain from the Board of Commissioners of Agriculture and Forestry, Honolulu.
10. Unless your credit has been established with us, kindly enclose check, money order, or bank draft to cover payment of your order in full.
11. California purchasers add 3% state sales tax.
12. Prices subject to change without notice.
13. On certain orders, due to minimum freight charges, we ship parcel post and prepay. We appreciate prompt reimbursement of these charges.

<u>Name, Stock Number, and Breeding</u>	<u>Price per Bulb</u>
<u>ADMIRABLE #793</u> (Adonis X Pauwelsii var. Comte d' Hemptinne, FCC.RHS) Large greenish bronze with primrose overcast. Flowers are borne on very long, upright spikes from a plant that produces very large bulbs.	\$ 40.00
<u>ADRIACO var. EXQUISITUM #6019</u> (insigne X Linnet) Large lucent pale golden flowers, with column and crest of deeper gold. Dark red dots cover the well formed lip.	35.00
<u>ALBANIA #797</u> (albanense X Alexanderi, Westonbirt var., FCC.RHS) Beautiful ivory white of fine shape and excellent texture. Lip is outlined with an old rose band. Tends to be early.	30.00
<u>ALEXETTE #1003</u> (Alexanderi, Westonbirt var., FCC.RHS X Janette) A new hybrid now making quite a name for itself. This variety is a very large white with a slightly stippled claret lip.	25.00
<u>ALTAIR, AM.RHS #1201</u> (Pauwelsii X Pipit) Lovely variety of golden green with contrasting deep red bar on lip. This variety has been used many times as a stud plant.	40.00
<u>ARABELLA #B118</u> (eburneo-Lowianum X Schlegelii) Flowers open a delicate shading of green and rose over ivory, and mature to a lovely tawny ivory shade. Lip is white, dotted carmine red. Spikes are long and heavy, bearing very large flowers.	25.00
<u>ARABELLA 11 #B-28</u> (Alexanderi, Westonbirt var., FCC.RHS X Swallow) Bred from two distinguished parents, this hybrid has proven to be consistently superior. The fine variety offered here is an ivory white of good substance and shape. The lip has exceptional charm. It carries a band of distinct rose purple dots just back of the margin which has the color of the sepals and petals.	35.00
<u>AUREOLE #121</u> (Alexanderi, Westonbirt var., FCC.RHS X Auriga) Pleasing upright spikes of pale golden yellow flowers. Lip edged with chestnut mottling.	35.00
<u>AYOT ST. PETER #787-D</u> (Lyoth X Pauwelsii var. Comte d' Hemptinne, FCC.RHS) Those who enjoy bright pink flowers will want this variety. Flowers are larger than average with bright pink sepals and petals set off by a heavily banded scarlet lip.	40.00

<u>AYOT ST. PETER #797-D</u>	\$ 35.00
(Lyoth X Pauwelsii var. Comte d' Hemptinne, FCC.RHS) Very pleasing, veined pink. Flowers carried on sturdy spikes.	
<u>BALDUR var. MAGNIFICUM #6017</u>	40.00
(Alexanderi, Westonbirt var., FCC.RHS X Castor) Nobly shaped light yellow flowers of heavy texture. Lip suffused old rose and mottled rose crimson.	
<u>BERNADETTE #707</u>	30.00
(Alexanderi, Westonbirt var., FCC.RHS X Sheila) Large heavy textured flowers of the Alexanderi, Westonbirt type. White with a pink blush. Lip distinctly marked with dark rose.	
<u>BARBARA SMITH #6512</u>	25.00
(Pauwelsii var. Comte d' Hemptinne, FCC.RHS X Picardy) Large shell pink flowers showing the fine flowering qualities of the Pauwelsii var. Comte d' Hemptinne, FCC.RHS parent.	
<u>BITTERN X YVONNE #B-240</u>	20.00
Pleasing flowers of good shape and carriage on an arching spike. The sepals and petals are green overlaid with an amber flushing. The cream colored lip is stippled with claret dots.	
<u>BLUE SMOKE #998</u>	20.00
(Lowianum, Pitts var. X Mirabel) This hybrid is fast becoming one of the best known Cymbidiums today. Recognized for its phenomenal vigor and generous flowering qualities. The form listed here is dark green lightly overlaid with amber, with the typical heavily banded red lip.	
<u>BODMIN MOOR #939-A</u>	25.00
(Alexanderi, Westonbirt var., FCC.RHS X Erica Sander) A large lovely flower of light green coloring. The well shaped lip is generously spotted on its basal portions with light rose. Grows well and flowers freely.	
<u>BODMIN MOOR var. SUTTER'S GOLD #B-39</u>	35.00
(Alexanderi, Westonbirt var., FCC.RHS X Erica Sander) A rich heavy textured golden yellow of good shape. A completely dependable bloomer and a vigorous grower. We recommend this with complete confidence.	
<u>BODMIN MOOR var. INNOCENCE #221</u>	40.00
(Alexanderi, Westonbirt var., FCC.RHS X Erica Sander) Large heavy textured flower of purest white. The well shaped lip carries bold dotting. One of the most vigorous growers and dependable bloomers we have.	
<u>BRUGES RUBY #763-D</u>	50.00
(Pauwelsii var. Comte d' Hemptinne, FCC.RHS X Regina) This flower seems to appear luminous because of its lovely clear pink sepals and petals.	

<u>BRUGES RUBY #789</u>	\$ 17.50
(Pauwelsii var. Comte d' Hemptinne, FCC.RHS X Regina) Large star shaped flowers of reddish pink. Lip cream, with heavy band of red on basal portion.	
<u>CARLOTTA #B-99</u>	15.00
(Ceres var. F. J. Hanbury, FCC.RHS X Ruby) The good size flowers are a rich reddish brown carried on a strong erect spike. Lip cream with a distinct maroon bar on the base. A strong grower.	
<u>CAROLE #B-125</u>	25.00
(Ceres var. F. J. Hanbury, FCC.RHS X Veda) For those who enjoy the darker colors, this dark golden brown is very popular. Lip is tastefully banded dark maroon.	
<u>CHARMANT #787</u>	10.00
(Charm X Pauwelsii var. Comte d' Hemptinne, FCC.RHS) Sepals and petals handsomely shaded and veined reddish bronze.	
<u>CLARE ARMSTRONG var. DEBUTANTE #629</u>	45.00
(Alexanderi, Westonbirt var., FCC.RHS X Mirella) Clare Armstrong is one of the most sought after of the better new crosses. The form offered here has noble flowers of large size and good substance on an erect spike. The color of the sepals and petals is an ivory yellow with an amber overlay. Lip boldly marked claret- crimson. The crests are golden and the column is yellow.	
<u>CURLEW #B-8</u>	25.00
(Alexanderi, Westonbirt var., FCC.RHS X Butterfly) This is a worthwhile hybrid of Alexanderi, Westonbirt. Flowers are large and a pure waxy white. A sturdy compact grower.	
<u>DORCHESTER var. STALWART #B-2</u>	60.00
(Alexanderi, Westonbirt var., FCC.RHS X Tityus) This fine variety develops tremendous bulbs. The flowers are light yellow and in keeping with the vigor of the plant, are of remarkable size and substance. The lip is generously dotted rose chestnut in the basal portions.	
<u>DOREEN</u>	1.50
(Doris X Pauwelsii) Early free blooming bronze yellow. One of the most widely known of early blooming Cymbidiums.	
<u>EAGLET #784</u>	15.00
(Eagle X Pauwelsii var. Comte d' Hemptinne, FCC.RHS) Reddish bronze with deeper veins.	
<u>ERICA SANDER #935-A</u>	20.00
(grandiflorum X Pauwelsii) An attractive form of this well known and useful cross. Color is silky green with typical cream lip dotted chestnut. Erica Sander has been used in many successful crosses.	

<u>ERICA SANDER var. EMERALD #8078</u> (grandiflorum X Pauwelsii)	\$ 25.00
As the varietal name suggests, this is a truly clear emerald green. Flowers of this type are always rare and desirable.	
<u>FALCON var. MAGNIFICUM #614</u> (Alexanderi X President Wilson)	35.00
Very large flowers of bright tawny gold with creamy yellow lip strikingly marked with a crimson bar on its basal portion. A very vigorous grower.	
<u>FALCON var. LUMINOSA #133</u> (Alexanderi, Westonbirt var., FCC.RHS X President Wilson, Westonbirt var., FCC.RHS)	25.00
The variety listed here is one of the better forms of this outstanding hybrid. Sepals and petals primrose dusted with old rose. Lips are ivory white with a heavy band of deep ruby red. A very vigorous grower.	
<u>FALCON #B-701</u> (Alexanderi, Westonbirt var., FCC.RHS X President Wilson)	35.00
Large warm ivory flowers of good shape, exceptional substance and clear coloring. The charming well shaped lip is distinctly decorated with chestnut coloring on its base.	
<u>FALCON #B-746</u> (Alexanderi, Westonbirt var., FCC.RHS X President Wilson)	45.00
Fine variety bearing long spikes of cream colored flowers flushed old rose. A terrific grower and a dependable bloomer.	
<u>FLORYII var. GOLDEN ALBATROSS #700</u> (eburneo-Lowianum X grandiflorum)	35.00
Very large flowers of clear opalescent green carried on a graceful spike. The golden cream lip is stippled rust red. This is one of our best early bloomers.	
<u>GARNET X BALKIS #B-12</u>	35.00
Flowers are a distinctly different color of soft beige over ivory and are of excellent form and substance.	
<u>GLASGOW #804</u> (Alexanderi, Westonbirt var., FCC.RHS X eburneo-Lowianum)	35.00
Very well formed white showing the Westonbirt influence.	
<u>GOLDFINCH var. GRANDIFLORUM #6010</u> (Lowic-grandiflorum, Westonbirt var., FCC.RHS X Redstart)	15.00
Bears long and beautiful spikes of flowers with greenish ivory sepals and petals powdered old rose. Lips are very attractively marked carmine. The crests are gold.	
<u>HAWFINCH #901</u> (Alexanderi X Bustard)	25.00
Very large pale golden flowers. Lip heavily banded Indian red.	

<u>HELEN #A-167</u>	\$ 25.00
(Ralph Sander X Seamew)	
This is an unusual color combination of flame brushed over ivory. The colors appear to stand out because of an unusual lip marking of claret red completely banding the entire lip.	
<u>HUGH EVANS #924</u>	25.00
(Curlew X Lowianum)	
A very robust grower producing long spikes of clear green flowers with contrasting Indian red banding on the lip.	
<u>HUGH EVANS #B-92</u>	5.00
(Curlew X Lowianum)	
Here again we have a very good grower with long spikes of green flowers with red marking on the lip.	
<u>IMBROS #135</u>	35.00
(Rosanna X Lowianum)	
We recommend this variety strongly. Flowers are rich golden yellow. Another outstanding hybrid from Rosanna, the other parent being Lowianum. The plant is a splendid grower.	
<u>INCA #8001</u>	30.00
(Butterfly X Lowianum)	
Sepals and petals golden ivory. Lip dotted chestnut.	
<u>IRENE GIBBS #776-C</u>	25.00
(Bodmin Moor X Swallow)	
Well formed greenish-bronze flowers set off by an attractive lip banded deep blood red.	
<u>JASON var. MOONBEAM #6001</u>	50.00
(Alexanderi, Westonbirt var., FCC.RHS X Miranda var. Golden Queen, AM.RHS)	
Another superb and most successful Cymbidium derived from Alexanderi, Westonbirt variety. This cross has notable merit for size, form, coloring, and vigorous constitution. The variety Moonbeam produces rich tawny beige flowers which mature to a pearly shade; the lip has a broken band of Indian red; yellow crest.	
<u>LILIANA #778-C</u>	20.00
(Lillian Sander X Louisiana)	
A flower that commands attention by its brilliance. Sepals and petals yellow, heavily overlaid with golden brown. Entire lip is brilliant yellow with golden brown dots. Early.	
<u>LOWIANUM CONCOLOR #921</u>	7.50
This is the albino form of the species Lowianum. Green sepals and petals with a very light yellow lip. This parent has been used with success in breeding such hybrids as Esmeralda.	

<u>LOWIO-GRANDIFLORUM #807</u>	\$ 35.00
(Lowianum X grandiflorum)	
This is a splendid variety bearing large flowers of rich green on handsome pendant spikes.	
<u>MAGNIFICENT #758</u>	50.00
(Alexanderi, Westonbirt var., FCC.RHS X Ralph Sander)	
A very heavy textured white of excellent shape. Lip is very heavily inlaid in deep maroon. "Magnificent" is a very fitting word to describe this outstanding cross.	
<u>MARY SANDER #B-116</u>	25.00
(Pauwelsii X Sibyl)	
The shapely ivory white flowers are borne on very tall upright spikes. A very free bloomer.	
<u>MIDAS X MIRANDA #B-717</u>	20.00
Flowers are charming greenish bronze with a golden suffusion and are carried on long arching spikes.	
<u>NADINA #B-100</u>	25.00
(Alexanderi, Westonbirt var., FCC.RHS X Nada)	
All our Nadinas are of superior quality. This is a good white form.	
<u>NADINA #B-69</u>	35.00
(Alexanderi, Westonbirt var., FCC.RHS X Nada)	
Clear warm ivory flowers of wax-like substance borne on upright spikes.	
<u>PAUWELSII #B-26</u>	2.00
(insigne X Lowianum)	
A very well known yellow noted for its many long spikes. Excellent grower.	
<u>PERANIQUE #B-79</u>	7.50
(Peri var. Nigrescens X Veronique)	
Deep golden brown with almost black lip markings.	
<u>PERI var. NIGRESCENS #713</u>	10.00
(Pauwelsii X President Wilson)	
A flower that has been used extensively in breeding for imparting deep color. Sepals and petals are deep golden brown while the lip has an almost black band on its basal portions.	
<u>PERI #10</u>	20.00
(Pauwelsii var. Comte d' Hemptinne, FCC,RHS X President Wilson var. Westonbirt)	
This cannot be excelled for flower production. The flowers are medium sized bronze with red banded lip.	
<u>PERI #2</u>	35.00
(Pauwelsii var. Comte d' Hemptinne, FCC.RHS X President Wilson var. Westonbirt)	
Here again we find excellent flower production. Flowers are clear yellow attractively overlaid bronze. Lip boldly marked crimson.	

<u>PRESIDENT WILSON #523</u>	\$ 10.00
(Alexanderi X Lowianum)	
Glowing chartreuse with a very deep maroon bar on lip.	
<u>RIO RITA # 81</u>	5.00
(Pearl var. Magnificum, FCC.RHS X Ruby)	
Warm ivory yellow of free flowering habit.	
<u>ROSETTE #B-155</u>	40.00
(Altair X Pearl var. Magnificum, FCC.RHS)	
The flowers of this variety are large and the plant is very free flowering. Flowers open clear yellow and mature to a richer golden yellow. The well balanced yellow lip is boldly decorated with rich crimson on its basal portions, with delicate lines and flecking of the same color shading off from the lip band.	
<u>ROSETTE #B-53</u>	20.00
(Altair X Pearl var. Magnificum, FCC.RHS)	
This variety closely resembles the Pearl parent. The tawny yellow flowers have typical Rosette carriage and have a solid bar of light chestnut red on the lip.	
<u>ROSETTE var. GLENDESSARY #B-719</u>	35.00
(Altair X Pearl var. Magnificum, FCC.RHS)	
A fine green form with a bronze suffusion to the sepals and petals. The flowers are typical of the finer Rosettes in their carriage. The plant is an exceptionally robust grower.	
<u>RUSPER #37</u>	2.00
(Pearl var. Magnificum, FCC.RHS X Veronique)	
Dainty ivory yellow. Dark crimson bar on lip.	
<u>RUSPER #B-259</u>	10.00
(Pearl var. Magnificum, FCC.RHS X Veronique)	
A worthwhile variety. Sepals and petals are a tawny yellow while the creamy yellow lip has a light crimson bar.	
<u>SCHLEGLII #B-75</u>	3.00
(insigne X Wiganianum)	
An early blooming pink. Lip is stippled rose-red.	
<u>SIBYL X PLOVER</u>	5.00
This makes into a wonderful corsage as the complete flower is a brilliant chartreuse.	
<u>SWALLOW #788-A</u>	85.00
(Alexanderi, Westonbirt var., FCC.RHS X Pauwelsii var. Comte d' Hemptinne, FCC.RHS)	
One of our finest forms of this very well known hybrid. The white flower is very well shaped, overlaid with a suggestion of dainty pink. The well balanced lip is generously outlined with Indian red.	

<u>SWALLOW #1610</u>	\$ 30.00
(Alexanderi, Westonbirt var., FCC.RHS X Pauwelsii var. Comte d' Hemptinne, FCC.RHS) Very well formed light yellow flowers with beautifully marked chestnut red lip.	
<u>SWALLOW #5009</u>	15.00
(Alexanderi, Westonbirt var., FCC.RHS X Pauwelsii var. Comte d' Hemptinne, FCC.RHS) One of the most successful hybrids today. This compact form is silky white with the faintest blush of rose. The lip is outlined with dainty rose dots.	
<u>SWALLOW #5015</u>	15.00
(Alexanderi, Westonbirt var., FCC.RHS X Pauwelsii var. Comte d' Hemptinne, FCC.RHS) Another fine form carrying upright spikes of shapely light yellow flowers. Chestnut red dotting outlines the well shaped lip.	
<u>THELMA #0-19</u>	45.00
(Alexanderi, Westonbirt var., FCC.RHS X Redshank) Those who like the Alexanderi, Westonbirt var., FCC.RHS shape of flowers will especially like this one. Large waxy white of excellent shape and texture. Lip beautifully dotted rose purple along the side lobes.	
<u>TRANCAS #B-747</u>	25.00
(Alexanderi, Westonbirt var., FCC.RHS X Redcap) An exquisite variety of very robust growth and a free bloomer. Sepals and petals are colored light yellow.	
<u>WESTMERE #6515</u>	40.00
(Alexanderi, Westonbirt var., FCC.RHS X Windermere var. Unique) Sepals and petals are a lovely deep old rose, with a darker veining. The well formed lip is heavily dotted rose red.
